MATTERS ARISING FROM PREVIOUS MEETING

1. A letter had been received from NYCC noting our concern regarding the obstruction of Paperhouse Lane, this was to be removed, but on the day of the Meeting this had not yet been done.
2. A letter had been received from Mr Jepsom of Selby Council regarding the Council owned land which was being looked into as a possible play/recreation area for the village children. The letter stated that the land was not available at present due to the possibility of future development of the site.

ITEM NO 1

PROPOSED REMOVAL OF AGRICULTURAL OCCUPANCY CONDITION AT WESTFIELD FARM,
WEST HADDLESEY.
APPLICANT: MISS T D KITSON

There were no objections to the proposed application. The only comment received was that there be a provision of no residential planning on the site in question.

Councillor Metcalfe then explained the Plans for Local Government (Unitary Authority) proposals, of which leaflets explaining further were available from Selby District Council.

There would be a Meeting arranged with the Local Council Representative to explain how this would affect us, arranged by Mr Metcalfe.
