Item 1

PROPOSED ERECTION OF ONE DETACHED DWELLING & INTEGRAL DOUBLE GARAGE ON 0.12 HA OF LAND ADJACENT TO AND PROPOSED NEW ACCESS TO HADDLESEY HOUSE - APPLICANT  
- Mr W Wright

Concern was expressed as to where the access would exactly be - opposite Davidsons farm yard entrance thereby creating a cross roads. The plan was noticed to be out of scale and some dwellings were missing completely from the plan. A main drainage ditch was also missed from the plan as were various old established trees. Questions were also raised as to whether Mr Wright had already had a building plot passed in the ground of Haddlesey House.

There being no other business the meeting closed at 8 pm.
