3. Minutes of last meeting

The minutes of the last meeting were presented to the meeting and agreed by Peter Jackson as being a true and accurate reflection of the business transacted at the meeting.

4. Matters arising from the last meeting

Tidy Day – this was scheduled for Sunday 19th November 2017, details to be circulated nearer the time.

Phone box library – reported that with 150 books the current set up, it was ideal, so there was no need to add in more shelving.

Fencing – this was completed, and positive feedback was received from the meeting - it was noted that reflectors were required.

Crime in the village / CCTV – Mike Tate presented the results of some initial tests with the latest models of ANPR undertaken informally within the village. It was agreed that we would investigate overall costs and funding.

Tap water / pumping station – Yorkshire Water said that they would contact Margaret via Glen to test the water at her property if she still has issues. They test it in most areas. Pressure was raised as an issue in certain locations, and Glen said that he would speak to his contact at Yorkshire Water. On the pumping station he said that they would send people out to investigate – they do have an odour, but it shouldn't be at such a level as to raise complaints.

New business

5. Christmas 2017 - tree at the end of November, switch on ceremony, Sunday 17th December.

Any other business

6. Streetlights – it was believed that there was one out, which if so would be reported for fixing.

There being no other business, the meeting closed at 8:55, with the date and time of the next meeting to be arranged.
