3. Minutes of last meeting

The minutes of the last meeting were presented to the meeting and agreed by Peter Jackson as being a true and accurate reflection of the business transacted at the meeting.

4. Matters arising from the last meeting

CCTV – Glen reported that quotes had been received in the range of £3,000.00 + VAT. Agreed to proceed to look at official fundraising sources initially, then look back at local fundraising through contributions in the village.

Tap water / pumping station – Yorkshire Water had reported back that all was working as it should.

5. New business

Glen reported that fly tipping down Marsh Lane had become an issue – it was suggested that a gate on the entrance as well as a combination lock would prevent it, to a degree.

6. Any other business

Financials – Giles reported on the state of the finances of the parish.

Dog bin – a question was raised whether a dog bin could be installed somewhere at the west end of the village, and it was agreed that it would be looked at, ideally sited at the entrance to

Speeding – concerns were raised about speeding in the village. The speeding report forms were about the only mechanism of individual

Grass cutting – concerns were raised over the quality of the grass cutting. It was clarified that the schedule was the same as it had been for the previous few years, which was primarily dictated by cost, which only really allowed for two cuts per month, when ideally it would be more frequent. It was agreed that we would let things settle down a little and then see how things were looking.

Power Station – Glen reported on the implications of the nearby gas power stations on the village, which were minimal.

There being no other business, the meeting closed at 8:40, with the date and time of the next meeting to be arranged.
