3. Minutes of last meeting

The minutes of the last meeting were presented to the meeting and agreed by Beverley Morgan as being a true and accurate reflection of the business transacted at the meeting.

4. Financial report

Giles reported on the financial affairs of the parish for the financial year 2018 - 2019, provided a spreadsheet with all income and outgoings, and invited questions, of which there were none.

5. Matters arising from the last meeting

CCTV - Glen reported on the issues surrounding the siting of the CCTV camera at the east end of the village. There were no objections to exploring the possibility of siting it at the school, as it would still cover the main access and egress to and from the village.

Pub - Glen reported that there had been a small fire at the pub, which was contained and quickly put out. Beyond that there was no information on what the plans were with the pub.

Land next to pub - Glen reported that he and Giles had met with SDC's feasibility consultant and a discussion ensued about the potential next steps in relation to the proposed development.

6. Any other business

Playpark - Jayne Purdy raised the state of the playpark, and it was agreed that (a) she would note any items that required immediate repair, (b) new football nets would be purchased and installed, (c) we would make arrangements for a clean and tidy to remove green growth and perhaps repaint, and (d) longer term plans were for a multi-use games pitch.

Litter issues were raised, as were the state of the footpaths.

There being no other business, the meeting closed at 20:25, with the date and time of the next meeting to be arranged.
